

THAT'S WHO WE ARE:

The OLBRICH Group, headquartered in Bocholt, with its business divisions OLBRICH GmbH, Polytype Converting® and R+S Automotive GmbH, is one of the world's leading manufacturers in the field of production machinery and equipment for the manufacture of web-shaped products, as well as in the field of machinery and tools for the production of interior and exterior components for the automotive industry.

As 'Hidden Champion' with around 800 employees worldwide, the Group places particular emphasis on sustainable manufacturing processes and markets throughout the value chain, which are reflected in our vision:

**PASSION AND PERFORMANCE FOR A BETTER LIFE!
SAFE AND SMART – TOGETHER!**

To strengthen our Team in our group, as soon as possible, we are looking for a(n)

Software Developer (f|m|d) PLC/HMI/DRIVE

Your task:

You develop software and standard modules for our machines and lines. The creation of user interfaces for HMIs is also part of it.

As an expert, you perform tests and inspections to ensure the functionality and quality of the lines.

You will be responsible for the commissioning of machines and lines, as well as for interface coordination, both nationally and internationally, always keeping an eye on the timely processing of orders.

Your profile:

You have an advanced training as a state-certified electrical engineer, a master electrical engineer or a comparable qualification.

You score with your good knowledge of PLC and HMI (S7, TIA Portal or comparable) programming as well as with your high-level language experience. But you can also convince with your knowledge in the field of drive technology and experience with pneumatic and hydraulic actuators.

You have good English skills and a high willingness to travel.

Your benefits:

Social responsibility

Employee discounts

Extensive development programs

Family-friendly & flexible working time

Industry standard & attractive salary

Mobile working

Company car

You would like to advance the company together with your colleagues? For this goal, you are motivated, reliable and only satisfied with your best performance?

Then become part of our team and actively shape our future.

We look forward to receiving your application (pdf document) by e-mail to: karriere@olbrich.com.
