

# OLBRICH

*The self-set demands on our work are high – for we rank among the best worldwide in our sector. We owe this above all our highly qualified employees and engineers who daily realize innovative lines for production of wallcoverings, floor coverings, film and/or foil or technical textiles.*

For our “Controlling“ Team at our Bocholt site, we are looking, for the next possible date, for a

## **(JUNIOR) CONTROLLER (m/f/d)**

### **Your Tasks**

- Preparation, evaluation and interpretation of key financial figures
- Contribution to monthly, quarterly and annual reports
- Preparation of forecasts and annual budget planning
- Liquidity planning and analysis
- Project controlling for major contracts
- Investment controlling of subsidiaries
- Implementation of variance analyses and ad hoc evaluations

### **Your Profile**

- Studies in business administration with a focus on controlling and finance or comparable commercial training with additional qualification
- First professional experience in the field of controlling of a manufacturing company is an advantage
- Strong analytical skills and high affinity for numbers
- Very good MS Office skills (especially Excel)
- First deeper knowledge of an ERP system is advantageous
- Good written and spoken English skills

You can expect a diversified range of tasks with a wide range of creation and development possibilities. We look forward to receiving your informative application documents (.pdf document) stating your salary expectations and the earliest date you could start.
