

OLBRICH

The self-set demands on our work are high – for we rank among the best worldwide in our sector. We owe this above all our highly qualified employees and engineers who daily realize innovative lines for the production of wallpaper, floor coverings, films/foils and technical textiles.

For filling a position with a successor at our Bocholt location, we are looking, for the next possible date, for a

BUSINESS CONTROLLER – FOCUS ON INVESTMENT CONTROLLING (m/f/d)

Your Tasks

- You coordinate and plan the annual financial statement processes of the subsidiaries and participations and in particular assist with the monthly, quarterly and annual financial statements.
- You act as a business partner and support the creation and analysis of operational key figures and project controlling.
- You will be actively involved in the core processes of group controlling, especially in budget planning and monitoring, forecasting, reporting and analyses.
- You are not afraid to present your results to the top management or other members of the management team.

Your Profile

- Successful business studies with a focus on finance / controlling.
- At least two years of professional experience in a manufacturing company, in the role of an investment controller.
- You have knowledge in accounting and balance sheet preparation according to IFRS, in the development of key figures from production that are relevant for decision-making and in the preparation of product calculations.
- You are known for your strong analytical skills, good conceptual work and a high affinity for numbers.
- Fluent German and English and very good MS Office (especially Excel) and SAP skills complete your profile.

You can expect a diversified range of tasks with a wide range of creation and development possibilities. We look forward to receiving your informative application documents (.pdf document) stating your salary expectations and the earliest date you could start.
