

OLBRICH

OLBRICH GmbH is nationally and internationally active as a machine and plant engineering company with more than 900 employees. We are a system provider for machines and lines for the production of web-shaped products such as wallpaper, floor coverings, films/foils and technical textiles.

In the context of a succession regulation at our Bocholt location we are looking for a

CONTROLLER (m/f/d)

who can join us as soon as possible.

Your Tasks

- Performance of target/actual comparisons, variance analyses and ad hoc evaluations
- Assistance with the preparation of monthly, quarterly and annual financial statements
- Maintenance and optimization of the costs and performance accounting
- Support in project controlling (cost, liquidity and risk monitoring)
- Preparation of forecasts and the annual planning
- Preparation of the short-term to medium-term liquidity planning
- Determination of decision-relevant key figures
- Assumption of special projects (for example the introduction of a new software)

Your Profile

- Studies in business administration with a focus on Controlling and Finance or a comparable commercial education (accountant or similar)
- Several years of professional experience in the field of Controlling / Finance in an international environment of a producing company, preferably in the machinery and plant engineering sector
- Very good MS Office skills (especially Excel)
- SAP FiCo and Infor LN skills are an advantage
- Strong analytical skills
- Good written and spoken German and English skills
- Personal initiative and independent working style

As a member of the Controlling/Reporting team with currently 4 employees you can expect a diversified range of tasks offering you a large variety of design and development possibilities. We look forward to receiving your informative application documents (pdf files) stating your salary expectations and the earliest date you could start.
