

# OLBRICH

*The self-set demands on our work are high – for we rank among the best worldwide in our sector. We owe this above all our highly qualified employees and engineers who daily realize innovative lines for the production of wallpaper, floor coverings, films/foils and technical textiles.*

For the reinforcement of our team at our Bocholt location, to accompany our projects, we are looking for a:

## PROJECT CONTROLLER (m/f/d)

### Your Tasks

- Contact person for our project managers in all commercial matters
- Participation in the preparation of monthly, quarterly and annual financial statements
- Target/Actual comparison both in the field of costs and time scheduling
- Preparation of and participation in project reviews
- Order-related formation of provisions
- Identification and evaluation of opportunities/risks by financial risk assessment
- Project closure and post calculation
- Performance of analyses as well as preparation of reports for the management
- Support with the creation of forecasts, with the annual budget planning as well as with the liquidity planning

### Your Profile

- Completed commercial education and/or study of business administration with a focus on Controlling and Finance
- First professional experience in the field of Controlling / Finance, ideally in a production company
- Good written and spoken English skills
- Strong analytical skills, good conceptual work as well as a high affinity for numbers
- Very good MS-Office knowledge (especially Excel)
- SAP knowledge is advantageous
- Self-initiative and autonomous working

You can expect a diversified range of tasks with a wide range of creation and development possibilities. We look forward to receiving your informative application documents (.pdf document) stating your salary expectations and the earliest date you could start.
